

The Octagon: Person of Peace

Find the person of peace and “share the Good News in the same way that Jesus did and as he taught His disciples to do.”

How do we recognize a person of peace? One who is:
 --Prepared to hear the message of the Kingdom and the King
 --Ready to receive what God will give you to say at that moment
 The Holy Spirit opens their hearts; we just have to look for them...
 It is no good trying to force open doors that God has not opened.

Five things to keep in mind:
Time—discern the season of each person’s soul
Team—community in evangelism
Target—focus on People of Peace, not those who aren’t ready
Task—share the Good News, wherever, whenever
Trouble—many are not yet ready to hear
