

THE LIFE WE LIVE...

We are called to a life of discipleship—living as Jesus taught us. Our life together has, at its heart, elements of invitation and challenge, welcoming others into a deeper relationship with God and the community of faith. We believe we are *ouched by the hand of God to touch the lives of others.*

Take advantage of these opportunities as you listen to what God is saying to you and as you respond to this call to a loving missional life.
